SUPPORTING STUDENT SUCCESS

## MEMORANDUM

**TO:** Indiana Superintendents and Building Principals

**FROM:** Dr. George Frampton, Chief School Certification Officer

**DATE:** August 26, 2010

**SUBJECT:** Legal Standard I: 22I Plan Submission

Several school districts have expressed concern that the delay in having ISTEP+ sub scores was hampering their ability to meet the deadline to submit building 22I plans. For those schools that need the extra time, we will accept the plans through November 1.

Schools and districts that have not completed the on-line Legal Standards Assurance [Standards 2-11] must do so immediately. The deadline was August 6. You may use your building number and pin number to gain access to the system. You can reach the electronic site using the following link:
